# *Introduction and Update with Hollywood Star*

**ED AMES**

President, Los Angeles ZOA

Ed Ames has enjoyed an illustrious career as a Hollywood singer/actor/director. Yet his best and most important role may be as the leader of the fastest growing chapter of ZOA. Learn about how Jewish Americans can promote Israel's security in a mad, mad world from one of ZOA's most impassioned advocates.

Mr. Ames will speak about the unique importance of the ZOA. Israel's existence is being threatened by fanatical Islamic states and terror groups. The Wall Street Journal says, "The ZOA is the most credible advocate for Israel on the American Jewish scene today." Mr. Ames will speak and answer questions along with the West Coast Director of ZOA, Harold Samuels. Also, San Diego ZOA Board member Cyrus Somekhian will speak about the threat posed by Iran, from whence he fled. Whether or not you are a member of the ZOA, this will be an inspiring evening.
