invites you to a special presentation

*Zionism vs. the Myth of a  
Palestinian State:  
Why Ariel Is Here to Stay*

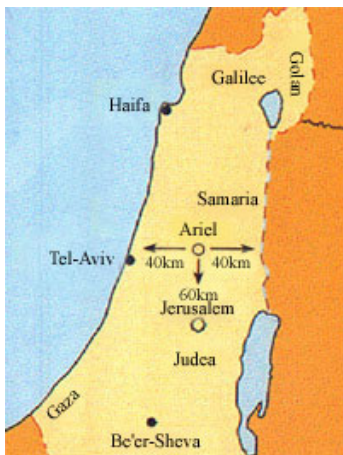

by

**RON NACHMAN**

*Founder and Mayor of Ariel*

Hear the story of the founding of the "Capital of Samaria" - Israel's northern region of communities beyond the "Green Line", by the city's visionary, founder, and longstanding mayor.

What will happen if the Palestinian Authority unilaterally declares a state? And what will be its effect on communities like Ariel, situated equidistantly between the Mediterranean Sea and the Jordan River - north of Ramallah and south of Nablus?

Zionism is alive and well in Ariel. Mayor Ron Nachman will explain why Ariel and its nearby communities are here to stay. Understand Ariel's successes as the backbone of Israel's national security, the seat of its heritage, and the region's lynchpin for coexistence and progressive dialogue.
